CIRCULAR 28/2020 CLUB MEMBERSHIP AND TOURNAMENT ELIGIBILITY

The JBA Executive have received a request to provide clarity regarding members who represent their club in the league and where they are then eligible to play Club tournaments or any other District or National tournaments.

The Conditions of Play are clear in this regard.

Clause 2.1.6

A player having membership of more than one Club may not, under any circumstance, play for another Club of which they are a member of having played one game for the Club for which they first elected to play. This includes National, District and Club competitions.

Clause 2.1.7

No player who is a registered member of another District and plays his or her competitions in that district will be allowed to play in the JBA league. This includes Nationals, District and Club competitions.

Sportsmanship should preclude players from divided loyalty regarding playing for a club. Should a dual member play in a competition for their secondary club and win a championship, this would be unfair to a bona fide member who plays all his/her tournaments in their primary club. A championship title in a club should belong to bona fide members only.

We trust that this has shed some clarity on this issue.

Yours in Bowls
