## CIRCULAR 30/2020

### JBA WEBSITE & UPDATED RESULTS OF TOURNAMENTS

Tournament results including league results are generally updated to the JBA Website by lunch time on the first working day after the tournament, i.e. by lunchtime on the Monday.

We rely on many different people submitting results and sometimes there are delays which are out of our control, however we will always endeavor to get results up as soon as possible. We understand the urgency behind correct results and are dedicated to getting them out for your convenience as soon as possible.

The problem that does often arise is, when accessing the WEBSITE, the results do not show as the current results even after they have been updated.

The office receives many calls during the week complaining that results are not yet updated.

**PLEASE!! Open the document you are looking for and then press F5, this will refresh the page and should bring up the latest results.**

Should you have any further difficulties in this regard you are always welcome to contact the office and we will talk you through the process.

Thank you

Yours in Bowls
