CIRCULAR 09/2023

GREENS INSPECTIONS FOR BOWLS SA EVENTS

In the past when a District tendered for a Bowls SA tournament, the Bowls SA Greens Committee was required to carry out green's evaluations only for the headquarters and sub-headquarters of the tournament. Any other greens to be used within the district were left to the District Greens Committee to evaluate and recommend the best greens to be used.

Unfortunately, this procedure has not been used within most Districts due to their lack of active Greens Committees. It has now been decided that the Bowls SA Greens Committee shall become more involved with District Greens Committees to determine the best greens to be used for tournaments.

The Bowls SA Greens Committee now request the following to be carried out by District Greens Committees when tendering for all Bowls SA tournaments.

- Bowls SA Evaluation Sheets to be completed and submitted to Bowls SA Greens Committee prior to club nomination.
- Bowls SA Levels profile sheets compiled during the month of January and submitted for assessment by Bowls SA Greens Committee. The reason for this is that the renovation of greens would have been carried out and levels corrected if necessary.

Changes to the Evaluation of Greens work sheet have been carried out and the new books are available. These books can be ordered from Bryan Hart at bryan@ledom.co.za
The cost per book with 50 duplicate pages is R100,00 inclusive of postage.

For queries, please contact Bryan Hart on 078 802 6887 or bryan@ledom.co.za
